**Benefits Think Tank**

Accounting. Strategy. Legal.

- Is your benefit plan optimized?
- Is your benefit budget effectively utilized?
- Will you be ready when healthcare reform changes the benefit landscape?

The development of the right benefit program, at the right price, and with the right features requires a multi-year, strategic view. A 3-5 year benefit strategic plan reflecting your goals, staffing challenges, and human capital objectives is critical to benefit program success in today's marketplace. This program will address the uncertainties surrounding healthcare reform, tips on managing change and how to implement a benefit strategic plan. **Learn how to control costs, spend less time managing your benefit program, and keep your employees happy.**
