"He is great, he is personable and very knowledgeable about labor and employment matters. He does a good job of knowing a client's business and industry and can provide specific counseling."

- *Chambers USA 2023*

Eric Gabrielle is a Shareholder in the Labor & Employment Department. Eric is Board Certified by The Florida Bar in Labor and Employment Law*. He specializes in litigation of employment law issues in Florida federal and state courts, and also advises employers regarding compliance with all federal, state and local laws and regulations governing employment relationships and the drafting and judicial enforcement of restrictive covenants (non-compete contracts). Eric has also served as an arbitrator in the resolution of employment disputes.

Eric is a contributing author to *Labor and Employment Litigation Strategies* (West Publishing, 2007) and he is regularly interviewed by local and national publications regarding labor and employment law issues. He is also a contributor to the firm's labor and employment law blog, [BeLabor the Point](#).

*With only 7% of eligible members certified, Board certification is The Florida Bar's highest level of evaluation of a lawyer's competence and experience in a particular area of practice. It identifies lawyers with "special knowledge, skills and proficiency, as well as a reputation for professionalism and ethics." To achieve certification, a lawyer must endure rigorous examination and testing and be evaluated by their peers.
